

2

continued from step 1

Within 48 hours MTC updates the Customer with various treatment plan options, hospital & physician details, travel and any tourist options & comprehensive price quotes.

details, like, physician resume, hospital credentials & record, previous patient experiences etc are also provided.

At this point with help of MTC you can ask any questions directly to the physicians via email. OR if desired, MTC can even arrange a live teleconference between you & the various physicians.

You decide on one of the medical trip options that best meets your needs.

In case you prefer, we can guide you to our affiliate on arranging medical financing

Client pays MTC an advance of 10% of the trip package estimate.

Please note this advance is REFUNDABLE. (money stays in USA & is safe). On reaching the destination, if you are not satisfied & decide not to proceed, the amount will be refunded. Otherwise it is transferred to the host hospital with credit to you. Other expences {travelling, lodging etc are not covered in this gaurantee}.

Trip preparation

MTC assists in comprehensive trip preparation: itinerary, flight preferences, passport/visa, travel insurance, international calling cards, A/C power converters, cell phone at destination, vaccinations, dietary preferences, any companion arrangements, confirm recuperation stay choice and a guide in travel tips specific to the country you are visiting.

Departure - air travel to medical destination

MTC also provides you an option of a destination personal assistant(DPA). He /She will be bilingual (fluent english) & be available to escort you around for any medical or tourism activity. DPA will be available on call 24 hrs during your visit.
